(Brian May)
I?m on my way up (ooh!)
Can?t put me down (ooh!)
Business is tough (ooh!)
I ain?t gonna get pushed around
I?m on my way (ooh!)
Gonna take this town (ooh!)
It?s gonna be mine all mine
It?s my time - and -
I?m on my way (on my way up)
Straight to the top (I?m telling myself)
I?m telling myself (I?m totally sussed)
I?m puttin?my name around (on my way up)
Ooh hoo - (on my way up)
Gotta get rhythm
I got positivism to give ?em
I?m on my way through
Where I?m going to
You wouldn?t believe
But I?ll make it - I?m tellin? you
I?m on a-roll
Gonna have it all
It?s gonna be fine so fine
Baby all of the time
I?m in control
I?m mighty bold
I?m lookin? good
I?m quittin? the neighbourhood
On my way up
Gotta get right with ?em
Got all of my life left for livin?
Nobody gonna tell me no
Nobody gonna stop me so
Everybody gonna see me grow
Nobody gonna hold me down
Gotta get to a better place
Gotta wake up - see your face
Gotta hold on - move on
Go through that wall
It?s my life or it?s nothin?
Our life or it?s nothin? at all

I?m on my way up...
I?m on my way
Yeah - gonna get it right
I?m telling myself
Gonna make it this time around
On my way up
Gonna get that rhythm baby
Gonna start that livin? babe
Got all my sights set on heaven...
