Time will bring the real end of our trial
One day there'll be no remnants no trace
No residual feelings within ya
One day you won't remember me.

Your face will be the reason I smile
But I will not see what I cannot have forever
I'll always love ya
I hope you feel the same.

Oh, you played me dirty, your game was so bad
You toyed with my affliction
Had to fill out my prescription
For the remedy
I had to set you free.

Away from me
To see clearly
The way that love can be when you are not with me
I had to lead
I had to love
I had to leave
I had to live

If I can't have you
Let love set you free
To fly your pretty wings around.

Pretty wings, your pretty wings, your
Pretty wings. Pretty wings around.

I came wrong you were right
Transformed your love into a lie
Baby believe me I'm sorry I told you lies

I turned day into night
Sleep till I die a thousand times
I should have showed you better nights, better
Times, better days
And I miss you more and more

If I can't have you

Let love set you free
To fly your pretty wings around

Pretty wings, your pretty wings, your
Pretty wings, Pretty wings around

So Pretty wings, your pretty wings, your
Pretty wings, Pretty wings around

Say Pretty wings, pretty wings,
Pretty wings, Pretty wings around
Little, little, baby, pretty wings

Darlin, Darlin, Pretty wings, your pretty
Wings, your
Pretty wings, Pretty wings around

Pretty, Pretty, Pretty
Pretty wings, your pretty wings, your
Pretty wings, Pretty wings around

Someone better is gonna love you
Someone, Someone is gonna love you baby

Pretty wings, your pretty wings, your
Pretty wings, Pretty wings around (x4)
