It's been so long since I have got you, lady  
Since I have had your brown legs wrapped around me  
The smell of she just drives me crazy  
Imagine what the sight of her can do

Suitelady, don't worry  
Ain't no end to what this ring  
Wants to begin with you  
I've waited, Suitelady  
'Cause no man can tear asunder  
What my love can groove

I never thought myself the kinda guy  
The kinda man that would ever wanna settle down  
Statistics say it's crazy, passion won't survive  
But something says, deep down, deep down inside

Suitelady, don't worry  
Ain't no end to what this ring  
Wants to begin with you  
I've waited, Suitelady  
'Cause no man can tear asunder  
What my love can groove, love can groove, me and  
you, aah

Suitelady  
Suitelady  
Suitelady  
Suitelady, yeah

I don't mean to be dramatic, baby  
Said I, I only wanna understand you, baby

Will you marry me?

Suitelady, don't worry  
Ain't no end to what this ring  
Wants to begin with you  
I've waited, Suitelady  
'Cause no man can tear asunder  
What my love can groove

Suitelady, don't worry  
Ain't no end to what this ring  
Wants to begin with you  
I've waited  
'Cause no man can tear asunder  
What my love can groove, Suitelady
