Pray God you can cope
I stand outside
This woman's work
This woman's world
Oooh, its hard on the man
Now his part is over
Now starts the craft, of the Father
(chorus)
I know you've got a little life in you yet
I know you've got a lot of strength left
(repeat 1x)
(hook)
I should be crying
But I just can't let it show
I should be hoping
But I can't stop thinking
All the things I should've said
That I never said
All the things we should've done
That we never did
All the things I should've given
But I didn't
Oh darling make it go
Make it go away
Give me these moments back
Give them back to me
Give that little kiss
Give me your hand
(chorus)
(hook
