

May I Refuse

"Allmighty and allpowerful Seth
Father of Darkness, King of Death
I pledge this knife to thee
To do thy work and to serve thee

The bride of chaos
The riders upon the beast
Blood I give to you with this knife
Which is thy life"

In need of your soul, you
Suck my solemn sword
And the blazing axe is
Right above your neck

For the glory of the sky
You must bleed instead of me
Now, child is mine and
It will serve in the darkland

Fall on your knees and die
You poor orphan
Pray for the mercy
And get ready for the blessed Death!
