

May I Refuse "Moon"

Visit "[Moon](#)" on MotoLyrics.com

I'm sorry about my delay
but someone has turned off the lights
but i haven't got the candles
there's no one

tonight
the clouds seem to be behind the moon
tonight
i couldn't call them

a window sparkle in the dark room
where my dreams are shaking down
one minute later everything gets birighter
there's no one

tonight
the clouds seem to be behind the moon
tonight
i couldn't call them

I am going bed sick tonight
oh maybe tomorrow i will recovered

I'm sorry about my delay
but someone has turned off the lights
