

May I Refuse "Spin"

Visit "[Spin](#)" on MotoLyrics.com

When the day is sunny
there's a night somewhere else
when a man is sad
there's someone happy somewhere else

she's kissing him
and they laugh together
the other one is dying somewhere else
he's walking around the pines alone
seeing faces, hearing voices everywhere.

it's the spin of stars
there's nothing about you actions
the spin of stars
stuck and push reactions.

when the day is sunny
there's a cloudy day somewhere else
and if you are feeling sad today
tomorrow is going to embrace you.

it's the spin of stars
there's nothing about you actions
its' the spin of stars
stuck and push reactions.
