

May I Refuse "Steps"

Visit "[Steps](#)" on MotoLyrics.com

The street is open at your feet
hiding sights, hiding thoughts
and the cars lights disappear
and the things are no more coloured.

All the city is sleeping
and the people too.

And the city is sleeping
and the lights are fading away
oh, the people are dreaming
and I'm dreaming too.

All the city is sleeping
and the people too.

Step by step you are going away from world
walking into the breath of god
closer to your own self.
