Kozeljnik

Those who are Dying to see
The Wrath of Upcoming Storm
Will fix their deadly sight
At one mystery, at one secret in one form

Bloody Rinds open wide
Graceless pictures of Angelic Hearts
Lamed!

Alone on the Horizon
One Flame still Burning

While The Angels are Bleeding
With Hearts Caged in One
Towards the Sun Wars are not over yet
Stars are haunted by Plastic Blood
Wearing The Aura of Emptiness

Shall We Lead The Demons
To The Last Battle
Shall We Evoke The Stars
For The Last Hysteria
