i'm warning anyone  
i'm warning you  
i'm warning anyone  
anyone ready to lose  
whoa...  
i'm feeling loaded  
with an early grave  
i took a dead end street  
and i've never been the same  
whoa...  
my thoughts are splitting  
and i cant find  
this wasted hatred  
thats got no where to hide  
whoa...  
unwanted action  
set for ignition  
ready to take off  
at the countdown of the day  
whoa...  
warning [2x] i got to get away  
warning [2x] i want to run away
