inside, i feel like a child
longing to be, whatever i see
growing, up in a town
who doesn't care
if i'm a clown
'n i act, like nobody's there
walking alone, i don't mind, no i don't care
been like this, so many times before
& when i laugh; they cry
& i don't mind, anyway
no i don't care
& i don't sympathise
for anything they do, or anything they say
someone else, took my place
in the society i already hate
come to think of it, i've never been here
in a time, when i felt, my head was clear
but i don't mind, anyway
no i don't care
i don't sympathise
for anything they do, or anything they say

& i don't mind, anyway

no i just don't care

i don't sympathise

for anything they do, or anything they say
