Pardon me, do you remember me?  
Just before I came in here and noticed something.  
I stand here for nothing else,  
Than to see you and look awkward,  
(and) Tell you that youre pretty.

Its no surprise, I knew before you spoke,  
That you were with someone, hey its cool just bring him  
with you.  
Cuz all I want, is for you to,  
Drop all your bags and come out to my show to see me.

(Whoa)  
Dont wanna be without you,  
[3rd] I thought the same  
Miss Meant-to-be  
[3rd] Way about you  
Cannot see without you,  
[3rd] I thought the same  
(Im) Mister envy

Pardon me, do you remember me?  
I was noticing-  
I came here for nothing else,  
Than to see you and look awkward,  
(and) Tell you that youre pretty.

(Chorus)

Take our chance in meeting,  
Trade for my heart left beating now.  
Take our moment fleeting,  
Trade for a mind left sweetly sound.

Well I could spend a lifetime looking back that one day,  
(So) Turn around and take me back again.

[BG] Turn around and back again,  
Turn around and back a-

(Chorus)

Pardon me, do you remember me?
