Here we go, right away,  
Need to stay, cannot play,  
Cmon please, yes you may,  
Always waiting for you!

One more time, not for you,  
What to do, ten till noon,  
Plan my day, just for you,  
Only if youll let me!

Okay one more time, you know its my dime,  
So long as youll just stay happy.

Im sorry Im late, but I can explain,  
Cmon dont be like that!

Are you going my way?  
For this, today,  
My heart is in the wrong place,  
My little disarray.

Are you going my way?  
For this, today,  
My heart is in the wrong place,  
My little disarray.

My eyes are clear, Im feeling bold,  
Its getting old, weathers cold,  
Take the bus, Im thinking no,  
Cant your mom just take you?

Sorry cant, not today,  
Go away, I wanna stay,  
Alright girl, what can I say?,  
Do I say On Duty?

Im not on my way, cuz I dont get paid,  
Why should I do this for you?

Thats it Im done, you better run,  
Dont want you to be late!

Chorus

Forget everything,  
Thats the way it was,  
Life was so carefree,  
Without you-

No, I dont cost a thing,  
Freedom save the free,  
Is there anything else,  
I can get you?

Chorus

My little disarray,  
My little disarray,  
My little disarray
