I'm writing you to  
catch you up on places I've been  
and you held this letter  
probably got excited, but there's nothing else inside it  
didn't have a camera by my side this time  
hoping I would see the world through both my eyes  
maybe I will tell you all about it when I'm  
in the mood to lose my way with words  
Today skies are painted colors of a cowboy's cliché  
And strange how clouds that look like mountains in the  
sky  
are next to mountains anyway  
Didn't have a camera by my side this time  
Hoping I would see the world through both my eyes  
Maybe I will tell you all about it when I'm  
in the mood to lose my way  
but let me say  
You should have seen that sunrise with your own eyes  
it brought me back to life  
You'll be with me next time I go outside  
just no more 3x5's

Guess you had to be there

Today I finally overcame

tryin' to fit the world inside a picture frame

Maybe I will tell you all about it when I'm in the mood to

lose my way but let me say

You should have seen that sunrise with your own eyes

it brought me back to life

You'll be with me next time I go outside

no more 3x5's

just no more 3x5's
