I just remembered that time at the market  
snuck up behind me and jumped on my shopping cart  
and rolled down aisle five  
you looked behind you to smile back at me  
and crashed into a rack full of magazines  
they asked us if we could leave  
I can't remember what went wrong last September  
though I'm sure you'd remind me if you had to  
our love was comfortable and so broken in  
I sleep with this new girl I'm still getting used to  
my friends all approve,  
say "she's gonna be good for you"  
they throw me high fives  
she says the Bible is all that she reads  
and prefers that I not use profanity  
your mouth was so dirty  
life of the party and she swears that she's artsy  
but you could distinguish Miles from Coltrane  
our love was comfortable and so broken in  
she's perfect  
so flawless

or so they say

she thinks I can't see the smile that she's faking

and poses for pictures that aren't being taken

I loved you

grey sweatpants

no makeup

so perfect

our love was comfortable and so broken in

she's perfect

so flawless

I'm not impressed

I want you back
