These days with the world getting colder
She spends more time sleeping over
Than I planned
Tonight we're gonna order in
Drinkin wine and watchin CNN
It dark I know but then again
It's the brightest thing I got

(Chorus)

When I'm covered in rain, rain
When I'm covered in rain, rain, rain, rain
Now I'm covered in rain, rain
Covered in rain

If a fire works in fireplaces
Some are stone in far away places
Now we're people watching other people
People watching you and I
Standing by the misses signs
At the CVS, in the checkout line
You put your tiny hands in mine
Cause you're the brightest thing I got

(Chorus)

It's alright if ya don't wanna go home
It's alright if ya don't wanna be alone
It's alright if ya don't wanna go home
I understand
I understand
I understand

(Chorus)
