Just a cast away, I am lost at sea, oh
Just a lonley day, no one here but me, oh.

More loneliness then any man can bare,
Rescue me before I fall into despair.

I send an S.O.S to the world
Send an S.O.S to the world
I hope that someone gets my
I hope that some one gets my
I hope that someopne gets my
Message in a bottle,
Message in a bottle, yeah.

A year has passed since I wrote my note
I should have known it right from the start
Only hope can keep us together
Love can mend your life, oh, love can break your heart.

I send an S.O.S to the world
Send an S.O.S to the world
I hope that someone gets my
I hope that some one gets my
I hope that someopne gets my
Message in a bottle,
Message in a bottle, ooh.

Walked out this morning and I mean u know what I saw,
A hundred billion bottles washed up on the shore
Seems im not alone at being alone,
Hundered billion cast aways all looking for a home.

I send an S.O.S to the world
I send an S.O.S to the world
I hope that Someone gets my
I hope that someone gets my
I hope that someone gets my
message in a bottle
message in a bottle, hey.

Sending out an S.O.S

Sending out an S.O.S
And im sending out an S.O.S
You know im sending out an S.O.S, and
Sendign out an S.O.S (in a)
Sending out an S.O.S (in a)
Sending out an S.O.S in a bottle.
