My stupid mouth
Has got me in trouble
I said too much again
To a date over dinner yesterday
And I could see
She was offended
She said "well anyway..."
Just dying for a subject change
Oh, another social casualty
Score one more for me
How could I forget?
Mama said "think before speaking"
No filter in my head
Oh, what's a boy to do
I guess he better find one soon
We bit our lips
She looked out the window
Rolling tiny balls of napkin paper
I played a quick game of chess with the salt and
pepper shaker
And I could see clearly

An indelible line was drawn

Between what was good, what just slipped out and
what went wrong

Oh, the way she feels about me has changed

Thanks for playing, try again.

How could I forget?

Mama said "think before speaking"

No filter in my head

Oh, what's a boy to do

I guess he better find one

I'm never speaking up again

It only hurts me

I'd rather be a mystery

Than she desert me

Oh I'm never speaking up again

Starting now (x2)

One more thing

Why is it my fault?

So maybe I try too hard

But it's all because of this desire

I just wanna be liked

I just wanna be funny

Looks like the jokes on me

So call me captain backfire

I'm never speaking up again

It only hurts me

I'd rather be a mystery

Than she desert me

Oh I'm never speaking up again (x3)

Starting now (x2)
