Don't know why Victoria came by  
But I could see by the look in her eyes  
Victoria'd been driving round the town for a while  
Playing with the thought of leaving  
Don't know why Victoria just smiled  
Mentioned somethig bout how you were right  
Must have been hard to see through the tears she was  
hiding  
She said, "I might not be seeing him soon,  
Got a few things I've been watind to do."  
Hey, Victoria came by  
Victoria came by tonight  
Hey, Victoria came by  
She says to say goodbye  
Looked outside at the car in the drive  
And the suitcase in the back seat inside  
Sure it's so she can look out behind at the road  
She said, "I might not be seeing him soon,  
Got a few things I've been waiting to do."  
Hey, Victoria came by  
Victoria came by tonight

Hey, Victoria came by

She says to say goodbye

Don't look down

She seemed all right

You might be asking, where is Victoria tonight

Somewhere out on the highway

I'm sure that she is fine
