We got the afternoon

You got this room for two

One thing I've left to do

Discover me

Discovering you

One mile to every inch of

Your skin like porcelain

One pair of candy lips and

Your bubblegum tongue

'Cause if you want love

We'll make it

Swimming a deep sea

Of blankets

Take all your big plans

And break 'em

This is bound to be a while

Your body is a wonderland

Your body is a wonder (I'll use my hands)

Your body is a wonderland

Something 'bout the way your hair falls in your face

I love the shape you take when crawling towards the

pillowcase

You tell me where to go and

Though I might leave to find it

I'll never let your head hit the bed

Without my hand behind it

you want love?

We'll make it

Swimming a deep sea

Of blankets

Take all your big plans

And break 'em

This is bound to be a while

Your body is a wonderland

Your body is a wonder (I'll use my hands)

Your body is a wonderland

Damn baby

You frustrate me

I know you're mine all mine all mine

But you look so good it hurts sometimes

Your body is a wonderland

Your body is a wonder (I'll use my hands)

Your body is a wonderland

Your body is a wonderland

I'll never speak of this again

Now there's no reason

I've got the kinda love in my hands

To last all season
