A loose cannon, can't you tell
You're gonna get a lesson, he'll learn you well
Back off and stay away from him
Outside you're going down
And how ya gonna feel when you hit the ground?
The bad seed is at it again

The boy is so defiant
Angry, young lion
With too much hatred from the past
And all his aggression
Isn't helping
Him become a man

Na na na na na nothing
Is ever gonna change him
Yeah and it might take a little bit to get used
But he'll stay broken
Outback behind the she'd
That's where his daddy taught him to hate the best
The education of the heavy hand
The blows were handed down
And it never did much good for him to cry out loud
The fragile child never stood a chance

The boy is so defiant
Angry, young lion
With too much hatred from the past
And all his aggression
Isn't helping
Him become a man

Na na na na na nothing
Is ever gonna change him
Yeah and it might take a little bit to get used
But he'll stay broken

Hey just remember this
The anger's not a curse
It's the greatest gift of all

Loose cannon can't you tell
Loose cannon can't you tell
Back off
Back off from me

Na na na na na nothing
Is ever gonna change him
Yeah and it might take a little bit to get used
But he'll stay broken

Na na na na na nothing
Is ever gonna change him
Yeah and it might take a little bit to get used
But he'll stay broken
He'll stay broken
Broken
