I've got a history of leaving  
Rumour has it I've been known for cheating  
Are you scared? Well I don't care  
You seem like a nice guy probably raised right  
Baby save yourself

'Cause you're only a man, better leave while you can  
'Cause nothing I do lasts forever  
I should have told you last November  
Comes a time too late cry for help  
Baby save yourself

You can take a punch I'll give you credit  
But if your pride can't take no more honey don't sweat  
it  
Can it hurt (hurt) any worse (any worse)

'Cause you're only a man, better leave while you can  
'Cause nothing I do lasts forever  
I should have told you last November  
Comes a time too late cry for help  
Baby save yourself

'Cause you're only a man, better leave while you can  
'Cause nothing I do lasts forever  
I should have told you last November  
Comes a time too late cry for help  
Baby save yourself  
Oddsare we wont b together or even make it til  
September  
Can't you just go find somebody else?  
Baby save yourself
