MAYHEM MAFIA-

MY BOO

Hook.x2

I said you can be my boo

We can go and ride riding threw the day

Riding riding threw the night.

verse 1.krazie

Shawty what's your name let me get your number

call me on the phone I will meet you under cover

(cover) thought i saw you on a magazine

Wait a second that might of been on my tv. screen

I like the way you look in them jeans cause if you

was naked i would be on the scene (haha)

Sex agent that's my occupation and right now

you are in violation now what's with all this

screaming and shouting and crying now you on the
ride

now you screaming like a siren now that i have

your attention i forgot one girl that i forgot to mention.

Hook.x2

We can go and ride riding threw the day

Riding riding threw the night.

Verse 2.Jay

I said you can be my boo while were in the club
ill buy you a drink then you want to start to f**k

cause we can make it but if we dont we can say that we
tryed.

We can go and ride riding threw the day
Riding riding threw the night.
