So much pain  
So much misery  
Try not to go insane  
I'm falling like the autumn leaves

The day has gone  
But when they come  
Replaced by eternal night  
Like falling autumn leaves

Get me out  
When im not yet gone  
Get me out of here  
Get me out

I'm walking alone  
Ive got no home  
The day's yet to come  
And im falling like the autumn leaves

Keep the daylight bright  
Keeping it clear  
There's come an end to this

Get me out of here  
I'm not going alone  
Get me out of here  
Get me out  
Get me out of here  
I don't see the way  
The road is blocked from here  
Get me out

Get me out of here  
You're my last hope  
Just Get me out of here  
Get me out  
Get me out of here  
Or leave and be gone  
Get me out of here  
Get me out of here
