Just in time I found you just in time
Before you came my time was running low
I was lost then losing dice were tossed
My bridges all were crossed nowhere to go
Now you're here now I know just where I'm going
No more doubt or fear I've found my way
Your love came just in time you found me just in time
And changed my lonely life and only day

Before you came my time was running low
I was lost then losing dice were tossed
My bridges all were crossed nowhere to go
Now you're here now I know just where I'm going
No more doubt or fear I've found my way
Your love came just in time you've found me just in
time
And changed my lonely life and only day
And changed my lonely life and only day
