Got to, got to, got to, got to  
Kneeling, oh kneeling  
Oh, kneeling, oh, kneeling under ever loving ways

[Incomprehensible]  
Kneeling, ooh kneeling  
Oh, kneeling, oh, kneeling, kneeling under ever loving  
ways

Feel I'm going to lose, lose my mind  
Like I'm going to cry right now  
Feel I'm going to lose, lose my mind  
Feel I'm going to cry, cry right now

And he said, "Sister  
You better come fall down on your knees and pray for  
all your sins"  
And he said, "Brother  
You know you're fitting for thy kingdom"

Just like when Joshua commanded stood still  
He didn't, stood still  
And I said "Father  
Please, please, please have mercy upon me"

'Cause I got to, got to, got to  
Kneeling, ooh kneeling  
Ooh, oh kneeling, kneeling under ever loving ways  
Everybody sing the song  
Kneeling, oh, oh kneeling

And God said, let there be light, oh yeah  
And God divided the dark from the light  
And the light He called day  
And the darkness He called night

So the evening and the morning was the first day  
God created the heaven, sand and earth  
And this earth was without form and void

'Cause I got to, got to, got to

Kneeling, ooh, oh kneeling  
Oh, kneeling, oh kneeling, kneeling under ever loving  
ways
