Oh baby

I felt so lonely today  
when you didn't call me  
I wanted you to hold me  
on the beach

I saw you with all the other girls  
I wanted you to be in my world  
but you're just messin'round  
on the beach

O baby on the beach  
your out of reach  
on the beach  
I want you (o baby can you stay with me on the beach  
woa woa)

O baby on the beach  
your out of reach  
on the beach  
I need you (o baby baby I need you so)

When my friends call me  
and they wanna go out  
But I just wanna stay at home  
waitin' for you

I go to bed early  
so I can dream about you  
all that we'd do  
on the beach  
Why don't you love me  
Is it because I'm not as cool as you  
but I can change  
on the beach  
O baby on the beach  
your out of reach  
on the beach  
I want you (o baby can you stay with me on the beach  
woa woa)

O baby on the beach  
your out of reach  
on the beach  
I need you (o baby baby I need you so)  
Baby (baby hold me)  
on (woa woammama weee)  
the beach.
