Oh baby

I felt so lonely today
when you didn't call me
I wanted you to hold me
on the beach

I saw you with all the other girls
I wanted you to be in my world
but you're just messin'round
on the beach

O baby on the beach
your out of reach
on the beach
I want you (o baby can you stay with me on the beach
woa woa)

O baby on the beach
your out of reach
on the beach
I need you (o baby baby I need you so)

When my friends call me
and they wanna go out
But I just wanna stay at home
waitin' for you

I go to bed early
so I can dream about you
all that we'd do
on the beach

Why don't you love me
Is it because I'm not as cool as you
but I can change
on the beach

O baby on the beach
your out of reach
on the beach

I want you (o baby can you stay with me on the beach
woa woa)

O baby on the beach
your out of reach
on the beach
I need you (o baby baby I need you so)

Baby (baby hold me)
on (woa woammama weee)
the beach.
