(This song right here, is dedicated to someone real special, it's for you baby. Just to let you know how much I love you girl. Come here)

(Chorse)

Have I ever told you lady, Ooo ooo.  
That you mean the world to me.  
And you know I'm gonna love you forever.  
Forever you and me.

Have I ever told you baby (Have I ever told you)  
That your always on my mind.  
And you know I'm gonna love you forever.  
Until the end of time.

You say you love me pretty lady and your down for me.  
And so I, I make this promise girl to always be your  
everything.  
Turn down the lights, the music up and put your hand  
in mine.  
An let me show you girl these feelings that I hold  
inside.  
Never wanna be without you girl cause your my pretty  
lady.  
I loose my mind every time your kisses drive me crazy.  
So tell me baby, do you feel for me what I feel for you?  
Do you love me girl like I love you?  
Para siempre.

(Chorse)

Have I ever told you lady, Ooo ooo.  
That you mean the world to me.  
And you know I'm gonna love you forever.  
Forever you and me.

Have I ever told you baby (Have I ever told you)  
That your always on my mind.  
And you know I'm gonna love you forever.  
Until the end of time.

Hey pretty girl you know I love you.  
Can stop thinking about you.

Always and forever you and I will be together.  
The love I have for you until I die I will treasure.  
Every minute. Every hour, can't stop thinking of you.  
My days won't be complete without a smile from you.  
Hold my hand, Understand your the light of my life.  
Your my girl, my friend, that's why I made you my wife.

(Chorse)

Have I ever told you lady, Ooo ooo.  
That you mean the world to me.  
And you know I'm gonna love you forever.  
Forever you and me.

Have I ever told you baby (Have I ever told you)  
That your always on my mind.  
And you know I'm gonna love you forever.  
Until the end of time.

Know if I never said it then ima say it know.  
In front of the whole world baby girl.  
Ima say it proud.  
I'm still in love with you.  
Even through the things that we've been through.  
I can still smile.  
I can still say my heart belongs to only you now.  
I breathe and live for you my kids.  
We've been through the rain.  
The love and the pain.  
Let our sunsine again.  
How them fairy tales end.  
Happily ever after.  
Forever ima be your man.

(Chorse)

Have I ever told you lady, Ooo ooo.  
That you mean the world to me.  
And you know I'm gonna love you forever.  
Forever you and me.

Have I ever told you baby (Have I ever told you)  
That your always on my mind.  
And you know I'm gonna love you forever.  
Until the end of time.
