Your here, in the boys bathroom good, your actually a little early. Sorry im very punctual, sorry. Alright get over here! Ahhh! You little geek! Oh no your forcing me into the stall! that's correct hahaha! Oh no your sticking my head into the toilet water! that's precisely what im doing! Now your flushing, oh god it's so embarrassing! And now let me tell you what im going to do. No. Im gonna smash your head into the side of the stall. Oh you wouldnt! Until it goes all the way through the stall, creating a glory hole. A glory hole? Then your gonna go around to the other side and im gonna stick my cock anonamously through the glory hole. Oh no. And if it doesnt't get sucked I don't know what im gonna do.
