Call it a rebound of a hip hop devout, got my heat out,
feel alright like it is Friday
Night and pops says, "yo, let's eat it out." that's what I
be 'bout. on the mike is where
I be now, indeed now. good for you and easy to chew,
like a big bowl of puppy chow. see
How, I get up on the mike and I can excite. You may call
it tripe, that's just spite, I
Know my shit's tight. psych, it's like, when I was just just
a tyke on my trike and all
The big kids would flip lids on their bmx bikes. go take
a hike, and don't forget the
Trail mix bitch. beats I know come from a casio, so call
me chris. as in mc, envy, I be
On the top of the list. you try to diss I won't resist, you'll
feel the kiss of my fist.
I never miss. You're gonna need a first aid kit, remove
your whack ass rhymes like it be
A cancerous cyst. you can't deny your tight ass behind
be so movin' to this. mc chris hold
Down his shit like he was holding bong hits.

Chorus - like mahatma gandhi followed by a horde of
hotties or the feds on the trail of a
Mr. john gotti, I'm a sound wave tsunami, vocal
origami, hijack the mike and it's not
Like anyone can stop me.

It's like arithmetic, the way I make it stick, some say it's
gibberish, some say it's silly
Shit. but some people pay a cover charge to listen to it,
some people take the path train
To jersey for it. ladies! in the corner with your hand on
your hip, make you jump so high
That the record will skip. make you feel so good that
the room starts to spin. my favorite
Kinda nut is a macadamian. come on all you honeys, I
am beggin to begin, I say I gotta get
The get the grand, gotta get within, gotta get more
cream than wisconsin, honeyroom suite
At the sheridan, bath tub full of expensive gin, lots of

candles and violins, bikinis made
Of diamonds, honeys beggin' me to break their
hymens.

Repeat chorus
