When,
I was at school, I was a fella
Round the bikesheds fingerin' Daniella,
Round the bikesheds fingerin' Celina,
Round the bike sheds fingerin' Delina,
Got four fingers up, you should have seen her,
And my trousers couldn't be any keener,
But a thought you was with Tina,
We had a kid called Sedina.

Devvo is 'ere,
Listenin' to the beats and rhymin' with a tear,
Listen to the drop and feel the flavour it's summer
time.

I'm startin' out,
I am poor,
No pennies in me' pocket,
Can I sleep on ya' floor?
Fresh outta' jail,
Time on me' hands,
Thatcher's white magic,
Can after can.
King of the land,
Are you a fan?
Listen to ma' rhymes and tell me you am,
You got the pennies and I got the scams,
Doin it like the boys at WHAM!

Summer is ere' an' it's fuckin' fuckin' buzzin',
Half a can of Kestrel an' I'll kick me' girlfriend's head
in,
I'm only messin when I'm 'angin out wif' Bezzin,
Listen to what I'm sezzin',
All the girls are lezzin'.
(show us ye' muff!)

Kestrel super,
I got ma' new car,
Suped it up wi' 4 fuckin' spoilers,
12 inch alloy wheels,
Mpfreels,

You know the deals,
It were parked up next to a Rover,
I walked over,
POP goes the window,
In goes me' hands,
Pulled out the tape player,
Off to me nans, off to me nans!

Knickin' all the kitkats, cheese and wee,
Police come a-knockin' and ya' don't see me,
('oo's that!)
Do another sentence,
Have a cup of tea,
Spark up a benson,
Have another THREE,
Have another E, right after me' tea,
I am fucked and you don't see me,
Moving in the shadows,
(shadows)
Moving in the shadows,
(like lone ranger)

Summer is ere' an' it's fuckin' fuckin' buzzin',
Half a can of Kestrel an' I'll kick me' girlfriend's head
in,
I'm only messin when I'm 'angin out wif' Bezzin,
Listen to what I'm sezzin',
All the girls are lezzin'.

Lock the door,
Throw away the key,
Your rhymes are crap when you're next to me,
Hope you think about everything I told you,
Devvo is a fuckin' Donny soldier,
Devvo is a fuckin' Donny soldier,
(Donny soldier)

Devvo's with the g's and he's *taking* on a bong,
Devvo's with the g's and they're singing along,
Pulling on the bong,
Pulling all along,
The g's,

(West side)
Devvo's everybody's neighbour,
Doing you a favour,
Check out the flavour,
All day saver,
Diggin' all your ravers,
Show us your lasers,
Don't let me phase youz,

Trying to escape to an island,
Where they do pills all day,
Nine till eleven,
It's like 'Eaven,
What are you gerrin'?
What are you gerrin'?

Devvo's a fuckin' Donny Soldier,
He's got a gun in his holster!

Summer is 'ere and it's fuckin' fuckin' buzzin',
Have a can of kestrel and I'll kick me girlfriend's head
in,
I'm only mezzin' when I'm 'anging out wi' Bezzin,
Listen to what I'm sezzin,
All the girls are lezzin',

Summer is 'ere and it's fuckin' fuckin' buzzin',
Have a can of kestrel and I'll kick me girlfriend's head
in,
I'm only mezzin' when I'm 'anging out wi' Bezzin,
Listen to what I'm sezzin,
All the girls are lezzin',

Shout out to Timwell Boswell for doing the vocals on
the track for me tell yous,
Where'd you get your shoes,
Show us your tunes,
Devvo flavour...
Wicked behaviour...
And B.O.
