Chorus

That's the fire, that's the fire, that's the fire
That's the fire, that's the fire, that's the fire
That's the fire, that's the fire, that's the fire

That's the fire, that's the fire, that's the fire, what
That's the fire, that's the fire, that's the fire, what
That's the fire, that's the fire, that's the fire, what

Better run, better run run, uh
Better run, better run run, lets go there (oh yeah)
Lets go there (oh yeah)

[MC Hammer - Verse 1]

Lets go where the lights is hot
Gotta back up on the sh-t he pop
Lets go there, the game is so cold
I could see it in his eyes, the boy sold his soul
Devil said I'ma give you the World
"I'll take it, plus give me a girl"
Mr Devil can you give me a sign
He said "Throw the Roc up, that's one of mine"

Lets go

[Chorus]

[MC Hammer - Verse 2]

Yo Jay, I got a Reasonable Doubt
If I knocked on your door would you come on out
If I knocked on your door that mean I'm knocking you
out
If I knocked on your door boy, I'll buss ya in ya mouth
Uh, see me son I don't play
I come from the shoulders that due the hard way
New rules, let me show you the way
If a rapper talk tough he gotta back up what he say

[Chorus]

[MC Hammer - Verse 3]

I don't really have to go in on the fella
But that dude wrote back to devil
Nah nah I don't roc-your-wear
Your shoes I don't need a dark pair
That boy tried to steal my swag
Fingerprints all over the bag
Imposter get him outta here
Imposter the king is right here, lets go

[Chorus]

Yeah you're now rocking with the king of heart
The king of heart, tearing all imposters apart
Yeah, king, king, king, king, king, king, king...

Lets go

[Chorus]

[End]
