Mc Frontalot: the arch criminal for some reason not  
sought by authorities, though I been running wild for  
days  
they's surely gonna track me down  
I'm the #1 menace for miles around  
with the littering, the loitering, the mattress tags  
all the piratated mp3s I grabs [arrrrr]  
all the cable I stole, certain bathroom wall I wrote on  
i'm so cruel & cold you put a coat on  
i even cheat on my tax!  
"from this life of crime there could be no turning back"  
riding all around on my bike with no helmet, commit  
mail fraud whenever I see a mailman  
got a jaywalking ticket. I crumpled it up!  
still bump the bootleg cause I'm hanging tough [we're  
ruff!]

crime spree that I'm on, breaking the law until the  
break of the dawn  
then I'll break it again, then I'll break it some more  
(mc frontalot you're so hardcore)  
crime spree that I'm on, breaking the law until the  
break of the dawn  
yo it seems like I break it all the time  
(this mc led a life of crime)

harder than a criminal's supposed to be, most of the  
FBI heard of this MC  
called them up just to check, "this here's the frontalot  
and I expect  
that y'all are tracking me down, cat n' the mouse  
gearing it up for some chasin' around,  
i mean you name it I done it,  
slandering, pandering, a couple hundred  
uncleared samples I rock per track  
FBI's like "we're busy, we'll call you back"  
yeah, if you can find me! leave a trail violated statutes  
behind me  
winding in an impossible wake, cause hard as I am  
I don't think I could take  
prison for even a day. "In that case you should live  
lawfully"

too late!
