MC frontalot is not installed  
So don't call 800-FRONT4ALL  
Off the ball of wax, to rock the rough tracks  
Thumbtacks all up in the mix so relax  
I hacks a beat together like a slasher rampage  
Mc frontalot is inundated by the rhythm arrays  
Some days I brag some days I boast  
24/7 I front the most

You wouldn't think that I would front  
Most days do nothing but  
Sit around dropping the lyrics into the drum cuts  
Buts, ands, ors, I hear naysay  
Don't play! mc front'll get offended, go away  
Hey now, there's no need to be real  
Honk honking on the sample like a trained m-seal  
We all seek a second steppin from the post  
24/7 I front, I front the most

What am I, wrecking every break beat?  
That could take eight weeks  
Only ever stop frontin to smoke bowls, take leaks,  
And sleep, I catch cat naps  
Sit in front the mic so much that my ass chaps  
Gaps in the tape, I was frontin in the other room  
Boogaloo in' well I wasn't though I wanted to'n  
I'm gonna rock the mic day and night  
Until I give up the ghost  
24/7 I front the most
