Just got hard-pressed underneath my desk  
no jest! it's time frontalot confessed:  
at the best of times got the worst of rhymes  
and I don't think I'm the first to find  
my life devoted less to lyrics  
than it is to my struggle for pyrrhic  
victory in the race to be  
teh intarweb's number one devotee  
of smutty little things that occur onscreen  
(risqu? to hey! quintuple-x obscene)  
MILFs who shave themselves so cleanly  
twins in positions unseemly  
my spleen ain't the part that gets vented  
I grabbed a hold and fapped like I meant it  
distended, probably oughta leave it alone  
spend more time stroking on the microphone

got a boatload of midgets and they're in command  
of a full-grown woman on her knees and hands  
got a long hard donkey and a farmgirl too  
and the braying's so dismaying when he starts to spoo  
gotta click close  
put it away  
'cause the internet is f-i-l-t-h-y

lurking in #pass chans on the irc  
got dcc'd unexpectedly  
with an 80-minute XviD: Nuns In Heat  
Part Three, Bad Habits. I'm so l337  
that I had that one already  
skipped to the part with the fishnet teddy  
whipped it out, but to my chagrin  
one toss from a win and the boss walked in  
said "nuh-uh Front, that terminal ain't  
for a latex crucifix spanking a taint  
in big 32-bit color  
while them rosary beads get yanked out the cruller"  
I said "you can't fire me
