

Conception "Wolf's Lair"

Visit "[Wolf's Lair](#)" on MotoLyrics.com

I came with the
moonlight
I spread with the winds
I'm future and
faint past
I'm ashes and dust

Hush, don't you cry
moonchild free
your soul
I'll tell you how
as soon as you're safe
in my embrace

Obedience-the key
to ecstasy
obedience-your way
to Calvary
do you belong
Flee with me
into the fields of glory
see the shine
Luna, the
promised land

Obedience-the key
to ecstasy
obedience-your way
to Calvary
do you belong
