ah yeah I'm glad I put this tape in  
I'm just gon' cruise down the road  
look at the stars in the sky  
and drift off into the sweet memorys that I have  
of a love that my heart has been searching for  
for so long and I know somewhere  
If I keep searching that love I'll find  
the picture grows clearer and clearer  
from the back to the front of my mind  
and like love a love I know I'll have,  
the girl that I want, she'll be mine, she'll be fly, and it'll  
last,

I see her face and I can't let go,  
she's in my dreams and my heart, so let me know,  
(have you seen her?)  
have you seen her?,  
(tell me have you seen her?)  
I'm looking for that love,  
she's a thought and a vision in my memory,  
I haven't met her, but tell me where could she be,  
(have you seen her?)  
have you seen her?,  
(tell me have you seen her?)

I need your love to make it,  
so why don't you be mine,  
the search is going on,  
from coast to coast,  
a women for the man, who's propping the most,  
(have you seen her?)  
have you seen her?,  
(tell me have you seen her?)  
my heart is beating strong,  
this love cannot be wrong,  
I need her and I want her, so come on to my home,

(have you seen her?)  
have you seen her?,  
(tell me have you seen her?)  
I'm a keep looking,  
at the movies, in my car, on my stereo,  
at a game of Different World or the Cosby Show,  
(have you seen her?)  
have you seen her?,  
(tell me have you s
