Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man

When I walked in the gym your man was talkin
Lickin his lips while I was walkin
He called my name to make me smile
Cause his buds were in the gym and I'm walkin with
style
So he grabbed my by the arm and pulled me to the
side
Said he'd be mine till the day I die
He told me he'd love me till the very end
Hey girl! I got your boyfriend!

Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man

When I first saw your man, he was really fine, he had a
natural shape, it was so devine, he had a red
mercedes benz that was drop down low, gold pin stripe
it was good to go, it had a gucci rad top, with a system
that thumped 30 foot ___ w/ a boom in the trunk, he
kissed me on the cheek, and you know that's all he got,
now he calls me everyday saying "I like you a lot"

Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man

Ohhh gurl u know I love ya
Ohhh gurl u know I love ya
Ohhh gurl u know I love ya

Boom! I got your boyfriend(pop,pop) I got your man

If you got a boyfreidn, you better hold on tight, and
keep him in sight every single night, cause when I got
out, I look so fine, cause I'm dressed to impress, and
I'm one of a kind, I take him, shake him, work him on
out, show your man what I'm all about, so when he tells
you it's the end, that's when you know I got your
boyfriend

Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
Boom! I got your boyfriend(pop,pop) I got your man
