[Common talking]

Yea, Yea, Yea

You know, they call me a pimp, and you know what that mean

I'm a Person that's Making Profit. See I pimp internationally

I'm nationally recognized, locally accepted
I pimp with the truth, that's the only method

[Common]

Seen her on Madison where Vice Lords be Travelin
And Chevy windows be rattlin

and badder than any other broads that I've seen in these parts

Her body language spoke like a smart remark,
eyebrows arched

Thick lips, blond wig, nice tits, ass the size that I dig

Asked her the name, one way to approach her

See she had game, she needed me to coach her

Expose her to some paper, freedom and culture

The way a righteous pimp is supposed to

[MC Lyte]

As he came closer in his eyes I seen fortune

I ain't having it like abortion

Walking with this stick holding his tip

Looked like a Black Panther that was trying to pimp

It was cold as shit, I'm waitin on my ride

Act like I didn't see him I tried

[Common]

Motion denied (pause)

I felt the vibe like Roy Ayers

She was used to seeing pimps in furs and gators

Told her I'm an innovator, a gentlemen of leisure

That's in tuned with nature, hold Common's hand

I'm a take you to a pimps promise land

Where no man can break ya, break ya, break ya

Chorus: Bilal (singing)

Pimps, ho's, hustlers, plans, dealers,
customers, and bodies stuck in it, Oh my god
Pimps, ho's, hustlers, plans, dealers,
customers, and bodies stuck in it, Oh my god

[Common]

{hey girl, come on over here, check it out)

Make your next move your best move, choose me

[MC Lyte]

How I look working for a nigga in a c
