Got a new gig, here you come again kid
fresh out the dog, done did your bid
but you can't stay here no more
Not in this crib
Not with the foul way that you used to live
I remember you would take long trips on the first of the
month
not giving a fuck about what I want
Break -- uhh! Breathe lyte! Breathe!
The day that you left I spent mad dough trying to get
shit fixed
cause of your fucking death wish
Broken glass everywhere, cause a motherfucka like
you just didn't care
Got my shit shot up, had to buy a new body for my
Benz, cause of your wild ass friends
Years ago when you started on the scene, back and
forth smuggling shit from Caribbean
It was you and your boy Dunn, making them suicide
runs
But it was all in fun till Dunn tried to run with half of
your cut
Now your boss is looking at you saying "What the fuck
is up?"
What's up? But you say, "Fuck him" you could start your
own ring and things
Besides you get a lot of peeps to swing
Now you got eight men working 7 days a week
2 be the runners, 5 on the street
1 be the side kick,, the right hand, you know the one
that ride shotgun thinking he the man
They'd kill to be where you are, oh yeah! The druglord
superstar
You got a new crib, new truck, new car
trying to fit in, throwing parties for them big type rap
stars
But on the other side of town, shit is getting hot, your
man got shot
and they blew up your tree spot, on 125th and St. Nick,
shit is getting thick
Your boy got caught in St. Martin with a brick, now he's
exile

You down to 6 motherfuckas and 3 of them
motherfuckas is nothing but suckas
I got feds at my door wanna know do I know a black
now I ain't never called ya no shit like that, I'm fed up
I can't take it no more, you see I'm blazing at the next
nigga knocking at my door
I heard you're on the run now, D is in the penile
ratted your ass out and gave that what, when and how
They'd all kill to be where you are, the druglord
superstar
They found a boy in the sand, it was Poppi your man
with his eyes dug out and you must
be soft
Heard they shot up your car and ransacked your loft,
now you need a get away
a place to hide, cause your man done snitched on the
inside
You was on the run like a slave aback in the days, you
must have been nodding when
they said
"Crime don't pay"
I got a new gig, here you come again kid, fresh out the
dog
done did your bid but you can't stay here no more, not
in this crib
not with the foul way that you choose to live
Motherfucka -- you know what/
Just, just take your shit all right! Just take it!
Cause I'm sick of this shit - I can't take it no more
just take it, I don't know who the fuck you think you are
Thinking you could just come back here and try to enter
my life -- like I need you
I don't -- I'm thru with you motherfucka
Just get out! You put me thru too much heartache
too much shit
I had to go thru -- I can't do it no more
