I am the Lyte  
I am, I am, I am the Lyte  
I am the Lyte  
I am, I am, I am the Lyte

Examine the style used in this sequence  
The rhyme's the clue, the record's evidence  
To the fact that I'm hypin' this episode  
Cold carryin' the extra wide load

The beat is fat and the rhyme is thick  
All over the town you hear the sound and pick  
Me, the L the Y the T the E, me  
And if you see the rock, I'm sure you'll see me

Hey Lyte, what will you be doin'?  
Kickin' it, bashin' down competition  
And when I drop the bomb, you'll listen  
Boom now that I've got your attention  
I'm slammin' what you wanna hear

I just thought that I should mention  
'89 is the Lyte year  
Now's the time to roll like a rhinoceros  
Step to Lyte, that's preposterous

I'm heavyweight, though I'm lightweight  
My looks the hook, my rhymes the bait  
And when I throw the line you proceed to take  
The goody, the treat that I hand you

That you couldn't refuse  
Damn, I cram to understand you  
Your love is to Lyte to lose

I am the Lyte  
I am, I am, I am the Lyte  
I am, I am the Lyte  
I am, I am, I am the Lyte  
The Lyte, the Lyte

I am the Lyte

I am, I am the Lyte  
I am, I am the Lyte  
I am the Lyte  
The Lyte, the Lyte

I think you deserve this, you waited long enough  
For a rhyme that's super duper extra tough  
Every human is lurkin' and loomin'  
Puba on the beat and you know the shit is boomin'

Tasty like pastry, fresh from the bakery  
First priority, that's the way it has to be  
Feel the drum, I bet it makes your body numb  
One for all and all for one I bet you come

Hurry, hurry, step right up and see the show  
MC Lyte and K-Rock are about to throw  
Get on line and purchase your ticket  
Hey, don't worry  
Lyte is gonna kick it

Go on, be happy  
I put you up on the scoop  
Now come and watch the party hoop

I am the Lyte, the Lyte  
I am the Lyte  
The Lyte, the Lyte  
I am the Lyte  
I am, I am, I am the Lyte  
The Lyte, the Lyte

I am the Lyte  
I am, I am, I am the Lyte  
I am the Lyte  
I am, I am, I am the Lyte  
The Lyte, the Lyte

I am the Lyte and it is time for me to go  
You wanna beef? Save that shit for the toilet bowl  
I use styles, styles and much many styles  
I leave smiles, smiles and much many smiles

On the people who come to see the Lyte perform  
Word is born  
The rhyme will kick and the brain will tick  
You can tell because the record'll sell

Old styles and new styles formatted together  
Bold or dull, so it doesn't matter whether  
Which comes first or vice-a versa

It won't make a difference, as long as you rehearse-a  
Get it down pat, and come right and exact  
MC Lyte is comin' right and I'ma say goodnight

The Lyte, the Lyte, the Lyte  
The Lyte, the Lyte, the Lyte  
I am the Lyte, I am, I am the Lyte  
I am, I am, I am the Lyte  
I am the Lyte  
The Lyte, the Lyte

Yeah, MC Lyte in effect for '89  
One time to wreck that mind boy  
Yeah, ah pump, pump, pump it up  
Yeah sure nuff

MC Milk Warlord of the mix board  
In effect sure shot, yeah, pump, mmm hmm
