And I think about u all the time
And I think about u all the time
And I think about u all the time
And I think about u all the time
We was standing alone,
Leaning in to speak to me
Acting like you rule,
I feel you move closer to kiss me
And I think about you all the time
Sweet sensations all over me
And I think about you all the time
Passion desire so intense
I can't take anymore
I feel the magic around you
It's bringing me to my knees
Just like I wanna be
I gotta be chained to you
Wooh oooh oooh oh
I feel the magic around you
It's bringing me to my knees
Just like I wanna be
I gotta be chained to you

Wooh oooh oooh oh
As you looked in to my eyes sudden sense of urgency
Fascination a spell
And you became more than just a mystery
And I think about you all the time
And now you won't even speak to me
Wondering what in the world I did wrong
Take 10 steps back
Won't go away he's always shutting me out
Is this the way that your gonna be
Are you shutting me out for good
If tha's the way you want it to be
You can have it your way
I feel the magic around you
It's bringing me to my knees
Just like I wanna be
I gotta be chained to
Wooh oooh oooh oh

I feel the magic around you
It's bringing me to my knees
Just like I wanna be
I gotta be chained to you
Wooh oooh oooh oh
