[Puff Daddy]

Yo let, let, let me ask you a question yo

Yo would you kill for me?

[Girl]

Hmmm... yeah

[Puff Daddy]

What took you so long to answer motherfucker?

[Girl]

I don't know

[Puff Daddy]

The fuck wrong with you bitch?

Verse One: Notorious B.I.G.

When I met you I admit my first thoughts was to trick

You look so good huh, I suck on your daddy's dick

(yeah)

I never felt that way in my life

It didn't take long before I made you my wife (uh, yeah)

Got no rings and shit, just my main squeeze

Come into the crib, even had a set a keys

During the days you helped me bag up my nickels

In the process, I admit, I tricked a little (yeah)

But you was my bitch, the one who'd never snitch (uhh)

Love me when I'm broke or when I'm filthy fuckin rich

And I admit, when the time is right, the wine is right

I treat you right, you talk slick, I beat you right

Chorus: Notorious B.I.G.

Just me and my bitch (variations repeat to next verse)

[Girl]

But you know you love that ass, don't you?

[Puff Daddy]

Yeah, no question

[Girl]

No question

[Puff Daddy]

Yo, let me ask you another question

[Girl]

What?
[Puff Daddy]
You ever fuck around on me?
[Girl]
Why would I do that?
[Puff Daddy]
Yo don't lie to me motherfucker

Verse Two: Notorious B.I.G.

Moonlight strolls with the hoes, oh no, that's not my
steelo
I wanna bitch that like to play celo, and craps
Packin gats, in a Coach bag steamin dime bags
A real bitch is all I want, all I ever had (yeah, c'mon)
With a glock just as strong as me
Totin guns just as long as me, the bitch belongs with
me
Any plans with another bitch, my bitch'll spoil it
One day, she used my toothbrush to clean the toilet
(that's nasty)
Throwin my clothes out the windows, so when the wind
blows
I see my Polos and Timbos
Hide my car keys so I can't leave
A real slick bitch, keep a trick up her sleeve
And if I deceive, she won't take it lightly
She'll invite me, politely, to fight G
And then we lie together, cry together
I swear to God I hope we fuckin die together

Chorus

[Girl]
Let me tell you nigga, if I ever, ever catch your ass
fuckin around
I'ma cut your mother-fuckin dick off
[Puff Daddy]
Hah, heheh stop playin, hah
[Girl]
I ain't playin, ain't no jokes, ain't no jokes
Ain't no jokes
[Puff Daddy]
Yo, don't don't play with my dick

Verse Three: Notorious B.I.G.

She helped me plan out my robberies on my enemies
Didn't hesitate to squeeze, to get my life out of danger
(yeah)
One day, she put nine one one on the page

Had to call back, whether it's minor or major (yeah)
No response, the phone just rung
Grab my vest, grab my gun, to find out the problem
When I pulled up, police was on the scene
Had to make the U-turn, make sure my shit was clean
Drove down the block, stashed the burner in the bushes
Stepped to police with the shoves and the pushes
It didn't take long before the tears start
I saw my bitch dead with the gunshot to the heart
And I know it was meant for me
I guess the niggaz felt they had to kill the closest one
to me (uh, yeah)
And when I find em your life is to and end
They killed my best friend... me and my bitch

Chorus

Uh, yeah, yeah
Uh...
Uh, motherfucker yeah
