Yeah, yeah, ooh  
Smooth better than I ever seen him look  
As I flip the vibe book  
He's on the front page, never looking his age  
He's all that and I'm all in so let the games begin

Now I'ma give you something' so you could get into it  
I got the side view so I could watch ya do it  
You've been on my mind but you're so hard to find  
Hollywoods got a hold on that behind

I ain't ashamed to play the game  
Listen here, I won't say no names  
Put your ass out, make your woman put your ass out  
If you knew I was talking to you, you would pass out

'Cause I gave you no type of indication  
And if I did I was probably on some medication  
I got the hots for your daddy and I just begun  
Let's do this one on one

One, one, one, one  
One, one, one, one  
(Yeah, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(You and me, baby, one on one)

One, one, one, one  
One, one, one, one  
(Yeah, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(Just you and me, baby, one on one)

Half way across the world I seen you at my show  
With your girl back in Italy, but are you still into me?  
'Cause if you are I'm here to let you know  
You don't have to be a superstar for me and you to go  
find

Now I ain't never lied you got the body of an angel

Bangle, bangle, watch the bojangle from every angle  
I'm clocking you, honey  
We could sign a prenup, I got my own money

I just wanna get to know you a little better  
In the Lyte after dark on the DL whatever  
I wanna feel your muscle flex off your backbone  
I got the jones and I can't leave you alone

I wanna rub your deltoid down to your bicep  
Better late than never and I'm sorry I slept  
But now I'm well awake and I'm ready for the fun  
Let's do this one on one

One, one, one, one  
One, one, one, one  
(I wanna play that game)  
One, one, one, one  
One, one, one, one  
(You and me, baby, one on one)

One, one, one, one  
One, one, one, one  
(Yeah, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(Just you and me, baby, one on one)

Damn, the only brother make me look twice  
Believe that baby, I wanna sacrifice  
I'm on it, you couldn't shake me off if you tried  
No sleeping on the job and I'm wide eyed

I like the video you got out, the song is butter  
Try to keep a clean head and my mind out the gutter  
But it's hard, you bring out the best and the worst  
If I knew you way back when I would have let you hit it  
first

Love, it's like water on the brain  
Only you can tame this run away train  
Last time I seen ya, gleam in your eye  
You was looking fly with your girl by your side

Shit, I ain't trying to take her place  
I just wanna have your face all up in my space  
I got the hots for ya and I just begun  
You and me, baby, one on one

One, one, one, one  
One, one, one, one

(Yeah, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(You and me, baby, one on one)

One, one, one, one  
One, one, one, one  
(Yeah, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(Just you and me, baby, one on one)

One, one, one, one  
One, one, one, one  
(One on one, I wanna play that game, yeah)  
One, one, one, one  
One, one, one, one  
(You and me, baby)

One, one, one, one  
One, one, one, one  
(One on one, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(You and me just one on one)

One, one, one, one  
One, one, one, one  
(Yeah, I wanna play that game)  
One, one, one, one  
One, one, one, one  
(Yeah, yeah, yeah, I wanna play that game)
