Allright (Yeah) Iâ€™ve notice you look at him
That guy in da club you wondring who it is
Well I'm gonna tell you...

You can maybe miss me but never diss me
Beacouse even missy would tried kissed me
So hot olnly compitetor is the sun
If you ask were Iâ€™m from I tell you 461
I tell you to run and never look back
Girls are more addictive than the best Crack
If life is a bitch than I might be the pimp
And if heaven is like the club than Iâ€™m VIP
Just a balla ultimatum toy
Make you're girl Jouuule like Sulja boy
Telling you Fooool when I have the joy
They said rapp is dying so Iâ€™m here to deploy
When I do my thing don't try to interfair
They got a doc but Iâ€™m the hip Hop engineir
And I'm the hottest rapper in this place
And I can prove that in serval ways

Hotets in da club Yeah that is me
Hottest Stalion of them all That is me
Hottest mc in the mall that is me
Don't look back cuse you might miss me

Insted of try to miss me try to blis me
And even if Iâ€™m gone remenice me
Easy to get knowned but hard to be forgott
Listen carrefully cuse This is why Iâ€™m hot
This is why Iâ€™m fly this is why I am
And when they see me they say god dame
How does he do it how does he controll it
Fallow me cuse this is how I role it
When I gave them it they couldent hoold it
But still haters say that I stold it (haha)
But fuck what haters say I ceep on score babe
And How I score babes is another Story
And Iâ€™m the glory and Iâ€™m me
Moust I remind you that Iâ€™m a hard MC
Shaped by the music of D r e
And don't miss me cuse I B R B

Hotets in da club Yeah that is me
Hotest Stalion of them all That is me
Hotest mc in the mall that is me
Don't look back cuse you might miss me
