(Devastating to your ear)

Rhyming is a thing that I do at will  
Be glad to rock a party just to prove my skill  
J-u-ice is what I'm gaining  
With a style so fresh that it's self-explaining  
Never bite a rhyme, I don't live that way  
But when I get dissed, violators pay  
I'm a crowd motivator, MC annihilator  
Never front the move cause I'm not a perpetrator  
I don't really mind bein criticized  
But those who try to make fame on my name - die  
Rhymes of all styles, all categories  
>From fresh freestyles to real fly stories  
This jam is dedicated to you and your boys  
And if you knew what I knew, then you'd kill that noise

(Devastating to your ear)

I devastate the crowd while the record spins  
So call, competators have no wins  
I laugh at MC's who call me wack  
You ordered, and now I'm gonna serve you, Jack  
We're respected by all, treated just like kings  
How could you have the nerve to say such things?  
If you knew at the time what you were saying  
You wouldn't be on your knees - praying  
You gotta understand I'm not the average MC  
At the first sign of trouble grab the mic and flee  
Grab the mic, plug in the beat box jacks  
Prepare for the battle, then proceed to wax  
Takes much time I feel is ample  
To deafen an MC, to make an example  
This goes for all sucker MC chumps  
Who hear my name, and suddenly Kool-Aid pumps  
So if you're thinkin 'bout dissin me, better think twice

I used to always wonder why she named me Shan  
Not hard to pronounce, easy to spell  
And oh how I love it when the ladies yell  
Her man better chill when my jacket's unzipped  
I got a .25 with an 8 shot clip  
You're sayin to yourself: 'that's a b.b. gun'  
But the place that I'ma shoot ya it'll take just one  
I'll blow you into parts, little pieces and specks  
You'll be saying to yourself: 'what can happen next?'  
This jam is dedicated to you and your boys  
But if you knew what I knew, then you'd kill that noise

(Hey, listen to the man)

Shoulda stayed in school, learned comprehension  
Tryin to state facts that I did not mention  
Sucker MC's I hate the most  
Next time I make a record you should listen close  
Cause MC's like me are the real McCoys  
So you sucker MC's better kill that noise

(Baby)

...tryin to diss us, man  
What's wrong with that...  
Ha-ha-ha-ha-ha  
KRS-One and Scott La Rock  
Ah-ha-ha-ha-ha-ha-ha  
Yo, he talk about 'strung' on somethin  
Man, we cold coolin in the place  
Drivin fresh Audis and coupes  
What's wrong with y'all  
Strung?  
The only thing we strung on is music  
And you're strung on ours
