I hear you're driving
Someone else's car now...
She said you came and
Took your stuff away -
All the poetry, and the trunk
You kept your life in -
I knew that it would
Come to that someday...
Like a sad hallucination,
When I opened up my eyes,
The train had passed the station,
And you were trapped inside...
Yet I never wonder where you went,
I only wonder why,
I wonder why...

Oh Caroline
Oh, whoa-oh Caroline
Oh, oh Caroline
Whoa whoa whoa, Caroline

Well I hear you're using someone else's number;
She said she saw you in the store today.
It doesn't matter whose address
You're listed under,
I only know they'll never make you stay.
Like a memory in motion,
You were only passing through...
That is all you've ever known of life,
That's all you'll ever do.
There's a dream I have where I sail away;
Looking back I wave at you,
And I wave goodbye...

Oh Caroline
Oh, oh whoa oh, Caroline
Oh, oh Caroline
Oh

In another life I see you
As an angel flying high,
And the hands of time will free you -

You will cast your chains aside -
And the dawn will come and kiss away
Every tear that's ever fallen
From your eyes...
Behind those eyes,
I wonder

Oh, Caroline... oh, oh, oh...
Oh, oh... Caroline...
Sometimes I wonder...
Oh... Caroline
Sometimes I,
Sometimes I wonder...
