Today I went & bought myself a bottle,
Like we used to do,
Reminded me of you.

Today I saw a train roll by the river,
Blowing off the steam,
Reminded me of me.

That's when I threw the bottle in the river.
That's when I started running for the train.

There's nothing that you need I can't deliver,
Carry me away, carry me away.

Make it seven o nine california time,
Whoever said it was a small world was either a liar or a
fool,
Cause it's not true.
And any promise we make is as easy to break
As the plastic people on a wedding cake so says you
But you know, I do.

I hear you thinking,
From far away.
If ya keep lying & crying & trying & drinking,
I'm gonna carry me away, carry me away.

If you think about me,
From far away,
I hope you find it with me or without me.
Carry me away, carry me away,
Carry me away, carry me away,
Carry me away, carry me away.
