Well, outside in the hall there's a catfight
It's well after midnight
I guess I'll be allright
I'm laid out on the floor
Drunk and poor
How much longer how much more

Rock me to sleep
Strong & deep.
The screaming cats they give me the creep
But aside from all that I feel no pain
Staring up at the ceiling stains
...Neon in the window
...Sirens far away
...News on the radio happy birthday happy birthday
happy
birthday

They're at it again next door
This whole floor I swear
They're out to drive me crazy
Not right now I'm high as a cloud I'm soft and gray and
lazy
..Smoking Out the window,
...feeling far away
...News on the radio happy birthday happy birthday
happy
birthday

Fly me
out the window.
Somewhere far away
News on the radio, Happy Birthday, Happy Birthday,
Happy Birthday.
Happy Birthday, Happy Birthday, Happy Birthday.
